For another look on psychoanalysis' father work

Press release

Freud Committee Conference

"A Freudian perspective on what ails the World today"

December 5,6th, 2015
The Helix Center
at The New York Psychoanalytic Society and Institute
247 East 82nd Street - New York, NY 10028

Freud Committee, created since 2014, is organizing its first international conference against the identity crisis, religious extremisms, nationalism and educational deficits ... Freudian way of thinking appeals to us at the forefront of such a worldwide overview.

Members of Freud Committee and Fund are pleased to open in December 2015, a long list of international conferences in cooperation with their American counterparts.

University of humanities and social sciences, psychoanalysts, cultural and politics personalities will debate during three days around the issues of:

"Formation of identity"

"Education and desire for knowledge"

"How to control religious and nationalist extremisms?"
